Yr4 - Home Challenges

- With a partner, create your own throwing and catching game or challenge that you can teach another pair.
- See how many balloons you can keep in the air by yourself and then see how many you can keep in the air with a partner.
- With a partner, create your own striking game or challenge that you can teach another pair.
- With your partner, develop and improve your 'combine and contrast' sequence into a longer routine.
- With a partner, create your own kicking and receiving game or challenge that you can teach another pair.
- With a partner, practise the Juggle Challenge and Roller Ball activities.
