Learning together for a better future

Dear Parent/Carer,

Message from Miss Furnish

Today, in our bubbles, we took time off curriculum to celebrate being back together. The last year has been a year like no other and I hope for all of us we never have another like it. For many families it has been very difficult but I hope that coming back together gives our children extra stability in a time that has been so uncertain.

I would like to thank each of you for your continued support and for the way in which you embraced the home learning.

I know the Roskear team are looking forward to welcoming our wonderful children back after the break for a 'normal' summer term. Here's to brighter days!

Take care and keep safe.

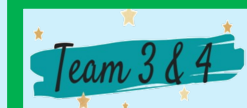

This week, Year 5 have been learning about the Battle of Hastings. We thoroughly enjoyed making Anglo-Saxon props, such as helmets from Papier-mâché, and recreating the battle itself! We had to think about which individuals were involved, how we would distinguish them and then created freeze-frames for each other to guess.

It was very fun and informative!

This week, Year 3 had a debate about which Age was the best to live in.

Stone Age, Bronze Age or Iron Age. We all drew on our knowledge of each period in history and listened to each other's opinions. Whilst debating we used cubes to show whether we agreed or disagreed. A red cube meant that we disagreed with the opinion and a green cube showed that we agreed. At the end of the debate, it was really interesting looking at how different the cube towers were!

Team EYFS

This week in Team EYFS, we hear from

Mrs Lagdon in Reception...

We have had a busy few weeks in YR being 'Spring-time detectives'! We have been looking for signs of Spring...daffodils, blossom, new buds opening and new life in our school garden. We have enjoyed sharing one of our favourite stories, 'The Very Hungry Caterpillar' by Eric Carle. Well

done everyone for being 'superstar' learners! Have an 'eggtastic Spring break'!

Take care and stay safe.

Team 3 & 4

Year 4 have been very busy during our last week of term!

Tuesday 30th March 2021

WALT: construct an alarm circuit using our design

On evaluating our models, we found that a useful tip was to extend the conductors in the circuit, to help them to join more easily.

We did this by using foil as an extension to our wires.

Woody in Year 5 for being a determined reader.

Finley H in Year 1 for his excellent attitude to learning.

Misha in Year 4 for being a determined reader.

Simone in Year 3 for being an amazing writer.
