Learning together for a better future

Dear Parent/Carer,

Message from Miss Furnish

I know that many of you will be talking tomorrow with your child's class teacher and we thank you for signing up and engaging in these meetings. We know that time is tight with only 5 minutes to talk about how your child has settled in. Teachers will of course do their best to stay on time but they will need your help with this. If you feel you need longer please let them know when they call and they can arrange a follow up call. Please also know that while they are doing their best not to overrun they may, so your patience is very much appreciated.

Here's hoping our spring parent/teacher meeting is in person!

Take care and stay safe.

COVID - URGENT

As you know the number of Covid cases in Cornwall is extremely high and as such we are all needing to follow the government guidance. Please can I ask that we ensure that children remain with their adults when they are on site and refrain from playing on the equipment. We all need to be working together to ensure that COVID cases in school remain low or ideally not at all. this will ensure that classes and the school can remain open.

Thank you for your support.

Year 1 have been learning about our planet Earth. We explored the shape of the Earth. it is a sphere shape, like a ball. We made spheres out of play dough by rolling it. Then we made our own globes using balloons. We used green tissue paper to represent the land and blue tissue paper to represent the sea.

Notice: Roskear School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

Bike to School Week 2021

27 September – 1 October

- ✓ **Be active** and feel more energised
- ✓ **Help the environment** by replacing a car journey
- ✓ **Improve local air quality** and reduce congestion

Let Sustrans know your family is **cycling or scooting to school** to be in with the chance of **winning a Frog bike**.

22.07.21 - School closes at 1.30pm for Summer holidays

25.07.22 - Inset Day

26.07.22 - Inset Day

Team EYFS

The children in Chapel Porth have been exploring their houses this week and thinking all about the different shapes needed to build them. We have worked really hard to think about the properties of each shape so if you see us, please ask and we will tell you all about our fantastic shape knowledge. Well done to all the children for their amazing learning!

KS1 Book of the Week

Title: Ruby's Worrry

Author: Tom Percival

Book Level: 3.1

Ruby has always been happy, perfectly happy...until the day she meets a Worrry.

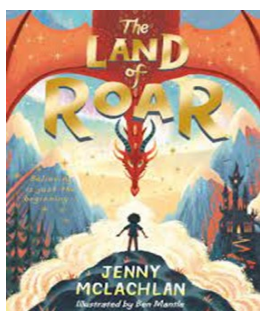

KS2 Book of the Week

Title: Author:

Book Level:

When twins Arthur and Rose were younger, they were heroes of the imaginary world of Roar. Now that the twins are eleven, Roar is almost forgotten. But when strange things start happening, Arthur begins to wonder if maybe Roar is real. Book 1 in a series.

Congratulations to the following pupils who achieved 'Star of the week'

Class	Name	Reason for certificate
Chapel Porth	Oscar W	For coming into school with a positive attitude.
Porthcurno	Noah	For being a golden and following all the Golden Rules.
Poldhu	Marcus	For super geography learning this week and naming the 7 continents. Well done, Marcus!
Gwithian	Evelyn	For an excellent start to her story writing.
Portreath	Freia	For writing a fantastic innovated story this week and including everything on our top tips!
Marazion	Corey	For being an absolute super star in everything that he does! You always follow our Golden Rules and you are a kind friend to everyone.
Coverack	Carmen	For your amazing attitude to learning and following the golden rules.
Truro	Morgan	For beautiful handwriting in class.
Falmouth	Emily F	For trying her very best in all she does.
Newlyn	Reece	For super writing in English.
St. Blazey	Alfie	For always trying his best in lessons and showing tremendous resilience in maths this week
St. Piran	Kayden	For trying his best with independent English learning this week.
Helston	Keegan	For trying his very best in all he does.
St. Petroc	Maisie	For listening to instructions with thought and care to produce a fantastic sea creature in design technology.

At the beginning of the summer holidays Ben in Year 5 joined a Marshall Arts class. He

completed his first tip test, indicated by a red stripe at the end of his belt. To pass this he needed to show a sequence of punches, kicks and blocks.

During the holidays, Ben has also completed a 5k run with his sister and dad where he was given a medal.

Finally, Ben has been working hard at Plymouth Argyle's Saturday morning football session and won star player of the week.

Fantastic work Ben – Keep it up!

Roskear Readers – Weekly Word Count

It has been another great week for reading here at Roskear School. Every week in school, we celebrate the word count, both whole class and individual children. At the end of every half term, each child with the highest word count across the school and the child with the highest number of tests passed are awarded a prize. So, all you readers out there get reading and passing those quizzes.

This Week's Class Word Count

1st place - Helston 897,408

2nd place - St Piran 580,546

3rd place - St Petroc 510,097

This Week's Word Count - Children

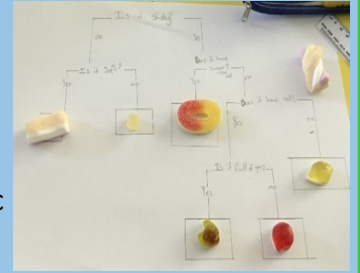

James (Coverack) - 137,090, Anita (Falmouth) - 41,675, Megan (Helston) - 154,628

Grace (Newlyn) - 50,043, Alfie (St Blazey) - 86,082, Lilliana (St Petroc) - 234,510

Lucas (St Piran) - 184,713 & Morgan (Truro) - 21,123

Team 5 & 6

This week in science, year 6 we have been looking at classification keys and how you can classify things into smaller and smaller groups. First, they worked together to create a classification key for a range of different animals using their previous scientific knowledge. After that, they created a classification key for a range of different sweets. They had to think carefully about their starting question and how to make the questions more specific the further you went down the key.

Year 6 were also lucky enough to visit Camborne Science and International Academy for a science workshop all about bubbles. They learnt about how they are formed and the components that make up a bubble. They then got to see what would happen if you added helium and finally what happens when you add dry ice.

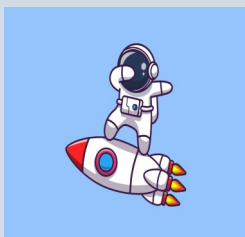

Can you help?

A girl in Truro class has lost her jumper. Parents/Carers could you please check that you have your child/ren's correct uniform at home.

Thank you.

ASTRONOMICAL ATTENDANCE

Portreath class have reached their first planet for our Astronomical Attendance. They are having extra play on the equipment.

Well done!

Menu for week commencing Monday 27th September 2021

WEEK 2 <small>W/C: 06/09 27/09 18/10 08/11 29/11 10/01 31/01 14/03 04/04</small>
