

# Island Adventures

Research Trinidad or Tobago.

What is the weather like?

What continent are they on?

What foods are grown there?

Have you been to a city in the UK?

Locate the city on the map of the UK. Why did you go there? How long did it take you to get there?

Find something made out of metal, wood, glass and paper. Can you find a material that you can bend, squash, squeeze and stretch? What materials can you not bend, squash, squeeze and stretch?

Please feel free to complete any of the suggested activities about our current topic. We ask you to read every night with your child and to remind the children sign their reading records (in school) so they can work towards a Karate Reading Band.

For every piece of homework completed the children will receive 3 house points.

Design and create a boat for Max (Where the Wild Things Are). What materials have you used and why?

Test your boat, what would you do differently next time?

Find your nearest church, can you take a picture?

Explain why churches are important to Christians. How do churches help Christians?

Design your own island.

What is it called?

Where is it?

Create a flag for your island.

Create a list of golden rules for your island.
