

## Blended Learning Expectations –Parents

Dear Parent/Carer,

While we fully appreciate that school learning is not statutory for pre-school and nursery school aged children we wish to continue to support you in building on your child's existing learning and further develop our home/school learning partnership.

As before, our primary source of communication is via eSchools. In addition to this, all children will be receiving regular phone-calls from members of staff to talk with them and you regarding how things are going.

### **Pre-school and Nursery Timetable – see attached**

To minimize disruption and ensure good learning habits, it is suggested that where possible children follow the timetable of learning activities overleaf (that mirror a typical school day). However, depending on personal circumstances we understand that the order or duration of the learning challenges may vary.

### **Online Learning**

It is a requirement that every child is registered at least once a week, via their class eSchools page.

Teachers will be providing a pre-recorded welcome message for children and their families every day.

Children could upload their learning when they have completed any challenges on their class eSchools page for their teacher. This could be, for example a photo of the child with their learning.

Teachers will be available every morning, throughout the morning, to respond to messages on eSchools.

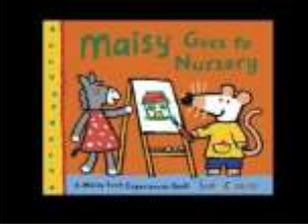

### **Offline**

For those families choosing to complete off -line learning they should follow the challenges and activities stated on the 'Pre-school and Nursery Timetable ' or the home learning activities on eSchools.

These children will be phoned weekly by a member of staff to share any learning challenges completed.

For any queries regarding accessing eSchools or links please refer to the 'how to guides' in your child's home-learning pack or contact your teacher via eSchools.

## Pre-School and Nursery Home Learning Daily Timetable

	<p>Number &amp; counting rhymes on eSchools</p> <p>Cbeebies – Number blocks</p>	
	<p>Daily name writing (Nursery)</p> <p>Draw a picture and tell someone about it (Nursery and Preschool)</p>
