Learning together for a better future

Dear Parent/Carer

Reference: Returning to school week beginning June 1st 2020

If you received a text message yesterday (Monday 25th May 2020) informing you that your child is able to return, as you requested, then please read this letter carefully to ensure that you follow the new procedures for the school day, along with the phased plan for pupils to return.

To ensure that children return safely and social distancing is maintained at the start and end of the school day, we are asking that children return gradually. We have had over one hundred parents/carers request for their child(ren) to return and children have been placed into 'bubbles' of up to 15. Once established, due to social distancing the bubbles can not be changed.

There are a number of new routines and systems that we kindly ask that every parent/carer and child follow when they return.

New Routines and Systems

- * Every child must be escorted to/from school and accompanied until they enter/exit their bubble.
- * Children are not permitted to play on any equipment before or after school and **MUST** remain by their adult's side at ALL TIMES.
- * Only ONE member of your child's household may bring your child to and from school each day e.g. Parent A on Monday and Parent B on Tuesday as long as they live in the same household as the child.
- * Your child will have gone through the 'Returning to School Story' before returning (this can be found on the school website on Thursday).
- * Parent/carer is to arrive with their child(ren) at the time given as this helps avoid congestion and maintain social distancing.

I am afraid the new routines and systems are there for everyone's safety and as such this means that no exceptions can be made.

Lunchtime: Children may bring a packed lunch with them or order a packed lunch from the kitchen. The choice of sandwiches are cheese or ham. Packed lunches are free of charge to Reception, Year 1 and Year 2 due to the government universal free school meals initiative. All FSM vouchers for children attending the setting will cease from June 5th.
