

# Roskear Primary and Nursery School

*Learning together for a better future*

March 2023

Dear Parents/Carers,

## **Relationships & Sex Education**

In the summer term, children will be covering the Relationships & Sex Education (RSHE) part of the PSHE curriculum through their usual Jigsaw PSHE lessons which will include watching animations.

If you would also like the opportunity to view one of the animations before we show them to your child, please get in touch. You may like to discuss issues related to this topic with your child; however, you may prefer to wait until your child approaches you after the sessions. If you have any questions prior to us beginning this piece of learning, please feel free to contact us beforehand.

As Parents and Carers you do have the right to withdraw your child from Sex & Relationships education. To do this, you must formally have a meeting with your child's class teacher or Miss Furnish to ensure that there is a clarity on what you are withdrawing from. The relationships, health and science learning is statutory and you can find out more about what is covered as part of our statutory curriculum and what as parents you can withdraw from on our website; visit:

Many thanks,

Mrs Mitchell
