Dear Parent/Carers

Message from Miss Furnish

Happy New Year. We have hit the ground running this week and classes are already settled and back to learning. If you are a parent of a child in KS1 or KS2, you will have read from letters that have come home this week that there are a number of new things taking place to help raise standards across the school and further improve the learning opportunities for our children. This week, I have spoken to some of the children in KS2 about Spelling Shed which we are now using to help the teaching of spelling and my goodness the children were buzzing about it. I hope that this continues and enables the children to enjoy learning to spell.

We have also started sending home our new reading books in KS1 and again I hope that you, along with the children, feel that this is a positive step to support the learning of reading. This week and next week members of the Senior Leadership Team have/are holding meetings with class teachers to look at the progress of every child and identify those children that are making less than the progress they are capable of. In these meetings we talk about strategies we can use to help the children further with their learning. We are starting a new reading intervention in the afternoons for some children in Year 3 and 4 using some new and exciting resources and I look forward to observing the teaching and learning taking place in these groups and talking with the children.

In the meantime, I wish you all a relaxing weekend and look forward to a busy week of learning next week. Best wishes

Thanks for 'Beeing Here'
