

Roskear Primary and Nursery School

Learning together for a better future

27th September 2021

Dear Parents/Carers

Confirmed cases of Covid-19

We have had confirmation now across several classes of positive Covid-19 cases.

As you will be aware, the school is no longer required to close bubbles when a positive case is confirmed. All classes, at present therefore remain open and your child should continue to attend school unless they are unwell or have any of the symptoms of Covid-19.

The school is no longer asked to identify which children are close contacts of anyone who has tested positive for Covid-19. This task is now carried out by Test and Trace. If your child is identified by Test and Trace as a close contact of the positive case, they will be in touch directly to advise you of this and provide you with advice on testing (which is likely to be a recommendation to arrange a PCR for your child) and how to help to prevent the spread of Covid-19. Please note that children below the age of 18 years and 6 months are not required to self-isolate even if they are identified as a close contact of a positive case unless they themselves show symptoms.

I therefore kindly ask that we do our bit to reduce further transmission across the school. This means ensuring the following:

1. Only one parent drop to and collect from school.
2. Wear a mask if your health permits.
3. Socially distance and keep your child(ren) with you when on the school site.
4. Do not allow your children to play on the outside equipment.
5. Get a PCR test for your child and do not send them to school if they have COVID symptoms even if you think it is just a cough or cold please get a test.

Please do not hesitate to get in touch if you have any questions at all. You can do this by calling the school office or by emailing secretary@roskear.cornwall.sch.uk.

Take care and stay safe,
Nic Furnish
Headteacher
