Learning together for a better future

Dear Parent/Carer

Message from Miss Furnish

This week has flown by at Roskear. We have all been busy with our learning and the children and staff continue to amaze me. It would be wonderful if, over the weekend, you could ask your child(ren) to perform their 'Talk for writing' texts which they have been busy learning.

I have been impressed this week with the amazing homework coming in from many of our children. My goodness, I can see that the children and many of you have been busy learning and working together. There are two more weeks to bring in homework before the bronze, silver and gold winners of each year group are chosen, so it is not too late to send something in.

Please don't forget to encourage your child to have a rummage and see if there are any school reading books they could return to school. For every book returned your child's name will go into our lucky draw.

Finally, I wish you all a relaxing and enjoyable weekend. Take care and, as always, I thank you for your continued support.

FORSA

Non School Uniform - Friday 28th May

Please bring donations of chocolate which will be used for a massive chocolate raffle after half term. Please give generously if you can as all money raised is put directly back into the school to benefit the pupils. Due to covid, FORSA have not been able to run our normal events and funds are depleted. More information to follow about Yr 6 leavers events...

Thank you in advance.

Mrs. Crocker, Chair of FORSA

Thank you!

Jenny Bales, an ex Roskear colleague has made

the Old Lady who swallowed a fly for the children in the nursery. She opens her mouth and swallows all the animals in the photo. The children find this hilarious!

Mrs Lawrence

This week in Team EYFS, we hear from

Mrs Lagdon in Reception...

In YR this week, we have started to learn our new story, 'Jasper's Beanstalk'. We have planted our own seeds and we followed the instruction cards carefully. We are remembering to water our pots each day. We will watch them grow, just like Jasper did! We hope our seeds will grow into beanstalks, then perhaps we can go looking for giants? In the story, Jasper had to pick up all the slugs and snails! We made fingerprint snails which was great fun!

Notice: Roskear School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

Prodigy weekly results!

KS1 Book of the Week

Title: The Battle of Bubble and Squeak **Author:** Philippa Pearce **Book Level:** 4.4

Sid Parker's mother hates pets. So when she finds out Sid brought two gerbils home from school, the battle for Bubble and Squeak begins.

KS2 Book of the Week

Title: Voices in the Park **Author:** Anthony Browne **Book Level:** 2.8

Four different voices tell their own versions of the same walk in the park. The radically different perspectives give a fascinating depth to this simple story which explores many of the author's key themes, such as alienation, friendship and the bizarre amid the mundane.

Congratulations to the following pupils who achieved 'Star of the week'

Class	Name	Reason for certificate
Porthcurno	Maverick	For being an amazing learner.
Chapel Porth	Frayah	For her enthusiasm to write and for supporting her friends with their writing.
Gwithian	Rogan	For being a resourceful learner like Quentin.
Poldhu	Tommy	For trying really hard with his handwriting all week and forming some fantastic letter shapes.
Marazion	Enya	For her positive attitude to learning and never giving up.
Portreath	Leia	For her continued beautiful handwriting and accomplishment with constructing a new discussion text.
Coverack	Evie	For continued hard work with all her learning.
Truro	Lill W	For putting 100% effort into everything she does and for taking real pride in the beautiful presentation of her work at all times.
Falmouth	Julian	For hard work and determination and consistently working independently.
Newlyn	Lukas	For his outstanding mathematical skills and achieving 99 club! Wow!
St. Blazey	Demi	For being a fantastic role-model to others; always working your hardest and never giving up!
St. Piran	Ziva	For a fantastic attitude to learning during maths whizz sessions.
St. Petroc	Sebi	For always contributing to our class discussions during our reading catch- up sessions.
Helston	Daisy	For her perseverance in English, particularly with her handwriting, which has really improved.

MISS FURNISH'S SHOUT OUTS!

In partnership with Morrisons, Pool, Roskear children were invited to colour a postcard and write a message of hope on the back. These postcards are going to be distributed throughout the community by Morrisons, along with sunflower seeds. The children created beautiful art work with heartwarming messages on the cards, showing just how caring and thoughtful Roskear children are!

Inappropriate Parking - Dolcoath Road

Please kindly remind parents/carers not to park blocking the driveways of local residents or park along the yellow chevron 'No parking' area outside the Dolcoath Road entrance.

The safety of our pupils is paramount.

Please be respectful.

Thank you.

Roskear Readers – Weekly Word Count

It has been another great week for reading here at Roskear School. Every week in school, we celebrate the word count, both whole class and individual children. At the end of every half term, each child with the highest word count across the school is awarded a prize. So all you readers out there get reading and passing those quizzes.

This Week's Class Word Count

and Darcy (Marazion) - 8,784

This week, Year 5 have been learning about the impact of volcanic eruptions.

We thoroughly enjoyed becoming news reporters and presenting our new learning in a fun way. We learnt about Pompeii, the ring of fire and that approximately 80 of the world's volcanoes are submerged in water. We can't wait to learn more!

This week in year 2 we have been learning about

Africa. Africa is a huge continent with 54 countries. We have been looking at pictures of different countries of Africa and noticed that they are not the same. We have also looked at human and physical features of geography in Africa and finding them on maps.

This week, Key Stage 2 took part in a 'dance-off' as part of their assembly.

It was great to see all classes getting involved and taking part in some physical activity.

Well done to Mr Savage's class for winning!
