Learning together for a better future

Dear Parent/Carer,

Message from Miss Furnish

I was so pleased to welcome back the children on Monday. They returned bright eyed and bushy tailed ready for the term ahead. This week, I have had the opportunity to look at writing in many of the classes across the school and I can see that the children are trying very hard. I know in Year 1, 2 and 3 the children are determined to work on their letter formation (handwriting). Being able to form your letters properly is really important as it helps when we begin to write larger texts, it helps us with our stamina and also our spelling.

The teachers have also reminded the children that they may now bring in any homework that they have completed from the optional homework grids over the coming half term. Any child who brings in a piece of learning from the grid will receive a certificate, as we did before COVID and also a bronze, silver and gold award will be given to three children per year group who win the homework challenge. I look forward to sharing with you some of the homework learning children have been carrying out.

I wish you all a sunny and relaxing weekend and as always, thank you for your ongoing patience.

This week in Year 6 we conducted a science experiment to see if we could change the height of a shadow by changing the position of a light source (torch).

Team 5 & 6

To make it a fair test we decided to keep the same object and move the torch in increments of 10cm until we reached a metre. To represent our data we created a line graph. Our data shows us that the closer the light source the taller the shadow.

Wednesday 21st April 2021

UNIT: Take accurate measurements and record data on a graph (Science)

Can you change the height of a shadow by moving a light source?

Distance (cm)	10	20	30	40	50	60	70	80	90
Height (cm)	28	26	22	20	18	16	11	7	4

Team EYES

The children in Reception have begun Talk for Writing this week and have been learning the story of 'The Sleepy Bumblebee'. They have loved getting into character and acting out the actions to the story and have been thinking about what each of the words mean and how we can use these in the correct context. Why don't you have a go at home and see if they can remember it?

KS1 Book of the Week

Title: Horrid Henry's Food

Author: Francesca Simon

Book Level: 3.2

Packed with fun and freaky facts, this is the perfect guide to everything you ever wanted to know (and many things you might never have wanted to know) about FOOD - Horrid Henry style!

KS2 Book of the Week

Title: The Lion, The Witch and the Wardrobe **Author:** C.S. Lewis **Book Level:** 5.7

When the Pevensie children - Peter, Susan, Edmund and Lucy - step through a wardrobe door in the strange country house where they are staying, they find themselves in the land of Narnia. Frozen in eternal winter, Narnia is a land of snow and pine forests, and its creatures are enslaved by the terrible White Witch.

It has been another great week for reading here at Roskear School. Every week in school, we celebrate the word count, both whole class and individual children. At the end of every half term, each child with the highest word count across the school is awarded a prize. So all you readers out there get reading and passing those quizzes.

This Week's Class Word Count

Mrs Keating and her husband on the birth of their new child - little baby girl Keating. I believe they have narrowed the name choices down to two! Watch this space.

Summer J in Year 1 for her wonderful writing. I loved working with you Summer, you knocked my socks off!

Poppy F in Reception for her amazing writing. Miss Burlingham and I were dazzled.
