## Summer Term 2023

This term we will be learning all about the seaside and treasure. We will be learning about sea safety and will design our own boats, testing which floats the best and why that happened. The children will even design their own treasure maps!

In maths we will be using our developing knowledge and skills to solve simple addition and subtraction problems.

We are focusing on learning our number bonds up to 5, including double facts.

## Reminders

Please note: **If your child is absent you need to inform the school reception, this will help us to complete daily registers. Thank you.**

## Sunhats and Sun cream

If the weather is warm, please remember to send your child in with a sunhat and labelled sun cream.

## Spare Clothes

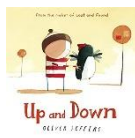

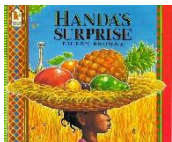

We would welcome any donations of spare pants, socks and trousers.

## Phonics

In RWI we will be continuing to blend and segment the sounds in words to help us with our reading and writing.

Remember reading books are changed every Monday, Wednesday and Friday.

**Polite reminder:** Children can choose one of the 35 books to read. Our library is full of great stories!

## Upcoming Dates

**16<sup>th</sup> June** - Pirate dress up day

**Date TBC** - Beach trip (all day).

**Date TBC** - Sports Day and picnic 11am start.

**21<sup>st</sup> July** - Last day of school, 3.15pm finish.

## THANK YOU!

We are looking forward to our final half term together in Reception. We want to say a personal thank you to all parents/carers for your continued support this academic year. The children have all made extraordinary progress and we are extremely proud of their positive attitudes to learning. We look forward to seeing how they can surprise us this final half term.

Your Reception Team.

Our new topic this Summer term will be 'Seaside and Treasure'.

These are the different themes we will be learning about.

Can you add  
and subtract numbers  
within 10?

Can you memorise our  
'Talk for Writing'  
stories and then retell  
them with actions?

What would you  
like to buy in the  
beach café?

# Seaside and Treasure

## Science

Can you design a  
boat that will float?

Can you design  
a treasure map?

Let's learn all  
about sea safety.

What items are  
most valuable to  
you and why?
