Learning together for a better future

Dear Parent/ Carers,

Message from Miss Furnish

This week I have the wonderful experience of joining Year 2 as they began their Design and Technology learning. I saw the children thoroughly enjoying themselves- threading the embroidery needles certainly was a challenge for us all. The children's running stitch was fabulous. I can't wait to see the finished product at the end of this half term.

Today, I was approached by a group of year 6 pupils, who had reflected upon their PSHE Jigsaw learning. The children spoke of their keenness and heat-felt desire to raise money for Cancer UK and the Children's Hospice. We have agreed that on the 28th January will hold a toy sale (more information will follow shortly).

Moments like that remind of just how incredible our children are and how lucky I am to be the Head at Roskear.

Fingers crossed for a dry weekend. Take care and stay safe.

In DT this half term, in Year 2, we are learning how to sew and are working towards making our own bag! We had our first session this week where we learned how to do a running stitch. First, we threaded our own needle. Next, we learned how to tie a knot in the end of the wool. After that, we practiced a running stitch in the binca. We cannot wait to start making our bags next week!

Notice: Roskear School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

Calendar

Additions in red

21.02.22 - 25.02.22 - Half Term

28.02.22 - School Closure Day

11.04.22 - 22.04.22 - Easter holiday

30.05.22 - 03.06.22 - Half Term

22.07.21 - School closes at 1.30pm for
Summer holidays

25.07.22 - Inset Day

26.07.22 - Inset Day

Team EYFS

The children in Yr R were astonished to find a troll under the bridge in the playground.

The troll was actually rather friendly and even let the children have their photo taken with them, if they wanted to.

We have been retelling The Three Billy Goats Gruff using wooden characters and puppets as well as sharing the stories with our families at home. The children are also accomplished 'bridge makers' and can build their own version of the golden gate bridge! We have loved used the telephones this week and enjoyed writing messages. We have been practising our handwriting and forming letters correctly and we always remember to start letters in the correct place.

Team 3 & 4

In Year 4 we have just launched our unit of learning, Get to Know Greece. We had a delicious tasting session in which we tried all of the ingredients of a traditional Greek salad. There were mixed feelings about the olives!

DEADLINE - SATURDAY 15TH JANUARY!

Any families that might need support with the application process should contact the school, the admissions team (<https://www.cornwall.gov.uk/admissions>) or the Family Information Service 0800 587 8191.

**CORNWALL
COUNCIL**
one and all • oen hag all

Together 
for Families

Do you have a child born **between 1 September 2017 and 31 August 2018?**

If so, you will need to apply for a place in a reception class in September 2022 for that child by the deadline of **15 January 2022**.

Please note: you will need to apply even if your child attends a school's nursery or pre-school class. If a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.

Visit www.cornwall.gov.uk/admissions for more information and to access the online application system

Need help with your application?

Contact the Family Information Service on **0800 587 8191**

The
deadline for
applications is
**15 January
2022**

SPINNING SCIENCE

You will need

- * paper
- * paper clips
- * Scissors
- * different types of paper or card

1 TRY THIS INDOORS MAKE A SPINNER

1. Cut out the spinner - you can download a template [here](#).

2. **CUT** along the solid lines and **FOLD** along the dotted lines.

3. **PAPER CLIP** the three folded pieces of the tail of the spinner.

WHAT DO YOU NOTICE? Things to talk about ...

What happens when you let the spinner go? Can you slow the spinner down? How? What happens if you use different sorts of paper? Does tissue paper fall fast or slower than cardboard? What happens when you make the wings longer or shorter? What if you make a giant one? A tiny one?

4. **FOLD** the two 'wings' of the spinner in opposite directions. Hold the spinner high up, let go and watch what happens!

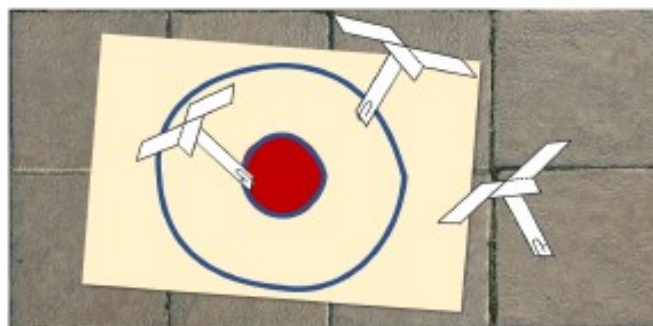

5. **MAKE** more spinners ... you could make different sizes, use different types of paper, use more paper clips or change the length of the wings.

2 TRY THIS OUTDOORS

Take your spinner outside. Make a target on the ground – you could do this by drawing a circle on a large sheet of paper, or you could use a big shallow bowl. Hold your spinner up and drop it, trying to get it to land on your target. Have ten goes and count how many times you hit the target. Try moving the target to a different place outside and see if your score increases or decreases.

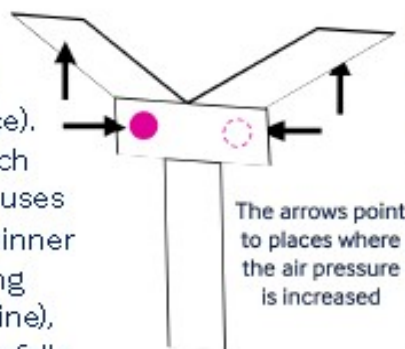

WHAT DO YOU NOTICE? Things to talk about ...

Where outside is it easiest to get the spinner to hit the target? Why do you think that is? What happens if you make the target bigger or smaller?

3 WHAT IS THE SCIENCE?

The paper spinner spins as it falls. When it starts its fall, the air pressure under the wings increases (air resistance). This causes an upward force underneath the wings which slows the spinner down. The increased pressure also causes a sideways push on the vertical part at the top of the spinner (where the pink dot is). The same thing will be happening diagonally opposite under the other wing (dotted pink line), which causes the spinner to spin. The faster the spinner falls the greater the sideways push, and so the more it spins.

The arrows point to places where the air pressure is increased

LEARNING TO BE EXTRAORDINARY

Part of the CSIA Trust, Company No. 7551989

Dear Sir/Madam,

I would like to wish you a Happy New Year and to thank you for your support for the Year 5 Super Saturday's. The students continue to have a wonderful time, they truly are a credit to the school community.

I am delighted to share with you our new Year 5's Super Saturday programme for the Spring term. As with the previous Super Saturday's, we have aimed to complement and extend your curriculum by providing a diversity of subjects, using the facilities that we have on offer at the school. It will be an opportunity to visit the school, meet teachers and make new friends, all of which will make the transition to secondary school much easier.

Saturday 29th January. The Other Side of the Canvas

Pictures and paintings spend all day being ogled and looked at, but have you ever wondered what they see in a day? Come with team English for a gallery walk and create your own piece of descriptive writing from the perspective of a painting in a gallery! Watch the world go by, and paint what you see with words.

Saturday 12th February. A Taste of France (Un goût de la France)

Celebrate Pancake Day with the languages department! Discover the French festival of La Chandeleur and learn all the vocabulary you need to create your very own French pancake recipe.

Saturday 5th March. Camborne Sporting Stars

Do you see yourself as the next Camborne Sports star? We are going to be having a go at a whole host of different sports including football, basketball, hockey and lacrosse! You will learn some amazing new skills as well as making some new friends!

Saturday 19th March. Easter Treats

Let's get cooking and create some delicious Easter foodie goodies. You will have the chance to bake and practise your icing skills by decorating your own Easter cupcakes.

2nd April. Wonderful Willy Wonka Workshop

Gain an insight into the magical world of Willy Wonka's Chocolate Factory. Your mission will be to solve the clues and guide yourselves to the lost golden tickets! Are you up for the challenge? Will you achieve your mission before the time runs out?

I would invite you to promote the workshops, using your newsletters and online presence and to encourage their attendance via the teachers of your Year 5 class. I have attached forms that can be shared via your social media, the link (see below) will direct parents and carers to our online booking form where they can register their children for the workshops.

<https://www.cambornescience.co.uk/super-saturday/>

Should you have any questions, please do not hesitate to contact plester@cambornescience.co.uk where I will be more than happy to answer them.

Many thanks again for your time and support.

Kind regards,

Philippa Plester

The NHS Children's Speech and Language Therapy Service(SALT) in Cornwall

Spring Term 2022

I am writing to provide you with an update on our current position as we continue to find our way through the pandemic and try to provide support to the Children and Young people of Cornwall and the Isles of Scilly.

We now have a fully operational Request for Help Team (RFHT) who can deal with referrals and general enquiries within a few days. Thank you for using this process and the feedback we have had to date has been very positive. We are constantly looking at how we can improve this service which has become our new front door and welcome any feedback.

Email: cft.saltrequestforhelp@nhs.net

Telephone: 01208 258282

For eating and drinking referrals only call 01208 834488 or download a referral form from our website <https://www.cornwallft.nhs.uk/childrensspeech-and-language-therapy/> and email it to cpn-tr.enquiries@nhs.net

I would encourage you to contact the RFHT for advice and information on how to support any speech language and communication needs in the first instance. As a clinical team they will not be able to update you on the staffing situation which I will endeavour to do in this update.

If you are given some advice and suggestions by the RFHT to try and they are unsuccessful, please contact them so they can explore with you any adjustments that might help. They can also liaise with the local SALT if appropriate if the case is known to the service or open a referral.

We are struggling to recruit to vacant posts as are many other services in Cornwall. This also reflects the national picture.

We continue to prioritise children who are being assessed for an Education Health and Care plan. However we will do our best to provide as much ongoing support as we can and contribute to the annual review process.

We will continue to face these challenges into next term but hopefully we will be fully staffed by the start of the summer term. I will provide another update around the February half term

Thankyou for our patience

Sue Newman

KS1 Book of the Week - Investigators

Author: John Patrick Green

Book Level: 3.3

Mango and Brash are the Investigators: sewer-loving agents of SUIT and scourge of supervillains everywhere.

KS2 Book of the Week - The Legend of Podkin One-ear

Author: Kieran Larwood

Book Level: 5.5

Three young siblings are on the run from the villainous Gorm tribe who have killed and enslaved their clan. Podkin, once destined to be clan leader, once spoiled, now must act bravely as he, his older sister, and baby brother flee for their lives. Book 1.

Roskear Readers Weekly Word Count

It has been another great week for reading here at Roskear School. Every week in school, we celebrate the word count, both whole class and individual children. At the end of every half term, each child with the highest word count across the school and the child with the highest number of tests passed are awarded a prize. So, all you readers out there get reading and passing those quizzes.

This Week's Class Word Count

1st place - St Petroc 604,097, 2nd place - Helston 508,451 & 3rd place - St Piran 355,231

This Week's Word Count - Children

Teigan (Coverack) - 40,574, Anita (Falmouth) - 44,711, Angelina (Helston) - 175,575, Ronnie (Newlyn) - 44,443, Noah (St Blazey) - 86,627, Lilliana (St Petroc) - 135,500, Dylan (St Piran) - 106,821, Darcy (Truro) - 33,107 & Amelija (Marazion) - 1,106

ATTENDANCE DATA

This year's target is 96%

Congratulations to

Portreath

who came

First

this week.

Congratulations to the following pupils who achieved 'Star of the week'

Class	Name	Reason for certificate
Chapel Porth	Oscar	For having a fantastic week of listening and focus learning. Well done Oscar!
Porthcurno	Noah	For perseverance and creating an amazing kite.
Poldhu	Roman	For trying his very best with his writing and remembering his finger spaces! Well done, Roman!
Gwithian	Evanas	For his handwriting and being a resilient learner.
Portreath	Avalyn	For making fantastic progress in your writing since September. Your handwriting is beautiful.
Marazion	Wykenzi	For always trying her best. She has worked her socks off in writing this week. Well done Kenzi!
Coverack	Tegan K	For your fantastic attitude to learning this week.
Truro	Esma	For good independent work this week and for being class star reader.
Falmouth	Lily W	For her fantastic commitment to learning.
Newlyn	Sophia	Foe her super positive attitude to learning and being resourceful!
St. Blazey	Connor	For his amazing resilience in swimming this week – showing huge progress in our lesson
St. Piran	Josh	For excellent ideas during writing this week.
Helston	Jade	For contributing to and engaging in writing club.
St. Petroc	Jayden	For his contribution during our writing club.

Team 5 & 6

This week, St Blazey have been learning about our solar system.

We now know the order of the planets, interesting facts about each planet and how they orbit the Sun.

To make it more memorable (and fun), Mr Forder taught us a rap and let us 'become the planets'

Menu for week commencing Monday 17th January 2022

HOT SPECIALS...

DAILY FAVES...

WEEK 3

W/C: 13/09 04/10 15/11
06/12 17/01 07/02 28/02
21/03

MONDAY

Macaroni Cheese
Cheesey Macaroni Pasta

Veggie Sausage and Mash with Gravy
Fluffy mash with veggie sausages and rich gravy

Jacket Potatoes
A choice of hot and cold fillings
